

DECORATING ON A BUDGET

3 Easy Holiday Vignettes

HOT CHOCOLATE BAR

Bring in some warmth to your Christmas décor with this DIY hot chocolate bar. Whether you use your own accessories or need to purchase a few items, this is easy, inexpensive and a welcoming touch to your holiday home! Just frame a free printable, get some hot chocolate fixings at a dollar store, add some garland, mugs and twinkle lights and you've got yourself a hot chocolate bar that your guest will love!

BUFFALO PLAID REINDEER SLEIGH

I couldn't resist this wood sleigh at Michael's and can think of a dozen ways to decorate and use it during the holidays! To create this look at home, start with a sleigh, tray or tired stand, add a reindeer and a medium sized sign, then add small items to the surface and play around with it until you create the look you want. Wrap it up with a green pine stem and lights and you have a beautiful vignette!

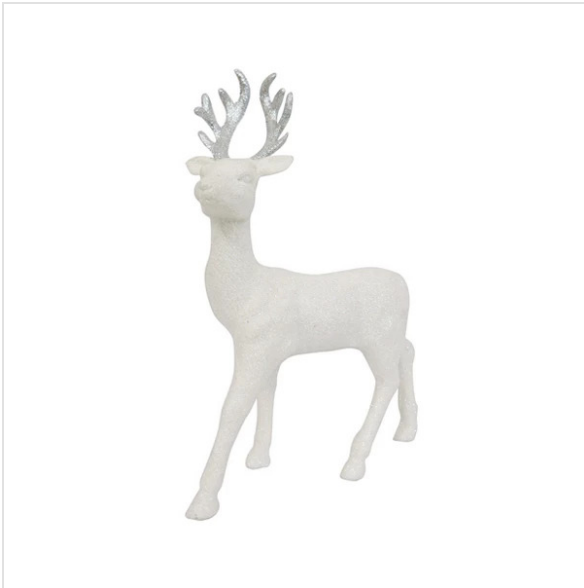

BLUETIFUL SNOW SCENE

This beautiful winter snow scene is a refreshing change from traditional Christmas colors. It's so easy to recreate with some fake snow and pops of blue and white woven in. If you have lanterns or tall glass vases, fill them with small blue ornaments and set a glittery deer in the middle of the scene with a framed printable from Etsy. Glam up your hallway with this winter beauty!
